In Minas Gerais, the PRF seized 13 buses and identified 133 people suspected of involvement in acts of vandalism in Brasília (DF)

Grenades and radio communicators were found

In Minas Gerais, the PRF seized 13 buses and identified 133 people suspected of involvement in acts of vandalism in Brasília (DF)

In compliance with the determination of the Federal Supreme Court (STF), the Federal Highway Police (PRF) seized 13 buses and drove 133 people to the judicial police, between January 9 and 10, in Minas Gerais.

Considering the decision made by the Supreme Court, in the face of the practice of violent acts in Brasília (DF), the PRF quickly implemented strategic inspection points to contain the buses and suspects involved in the actions. Continues after the publicity

Of the 87 buses listed in the investigation, Minas Gerais carried out the seizure of 13 vehicles, 133 people identified and taken to the Federal Police station or the Civil Police station, according to the structure of each locality.

In an approach on BR-040, in the municipality of Três Marias (MG), the police located cases of tear gas grenades already triggered, slingshot, radio communicators, English punch, as well as an access card from the Institutional Security Office (GSI) of the Presidency of the Republic. Buses were also seized in Sete Lagoas, Paracatu, Uberaba, Uberlândia and Juiz de Fora. Continues after the advertising

The Ministry of Justice and Public Security made available the e-mail denuncia@mj.gov.br to receive information about people and vehicles that participated in the acts of vandalism last Sunday (08). In case of complaints on federal highways, the phone number of the Federal Highway Police is 191.
